

Calvary greetings to you beloved. We're super excited to have you here again.

TORCH of LIBERTY INITIATIVE

April sure proposes the guarantees of a truly exceptional month, building on the remarkable foundation the previous month laid.

INTERNATIONAL WOMEN'S DAY CELEBRATION 2025

GED's NUGGETS

As we navigate the journey of life, seeking purpose and fulfillment, may we always remember the delicate balance between triumphs and setbacks. Let us cherish enough victories to fuel our inspiration and sustain our drive, while embracing enough mistakes to humble us, spark growth, and push us to refine ourselves with every step we take.

When all words are spoken, the unspoken matters most. We urge you to look within, awaken your kindness, and let it shine as an eternal flame.

In March, we celebrated the birthday of Achir Jennifer Terhide with joy and unity. We continue to wish her a life filled with happiness and success.

A former T.A.L.K personality of our community, Adesoji Enny Mobolaji recently tied the knot with his bride. We wish them boundless joy and marital bliss!

Though it may seem overwhelming at times, for the sake of humanity, let's keep T.A.L.K.ing. See you again next month and may April favour you and yours greatly.

In celebration of International Women's Day, Torch of Liberty organized a special event to honor women globally. As part of the festivities, two outstanding women from the community, **Aladi Christiana Ejeh** and **Felicity Gelasha**, emerged as winners. Each received a cash prize of N25,000 in recognition of their achievements and contributions.
